

DRY GOODS HOUSE IN PETERSBURG

Big Company Formed With Million Dollars Capital.

RICHMOND MEN INTERESTED

Asa Jones, colored, confessed to the shooting of Rev. W. A. Fishburn, Jones could have proved an Alibi—No Commissions.

(Special Dispatch to The Times.)

PETERSBURG, VA., Jan. 12.—A stock company representing over a million dollars will be organized in Petersburg for the purpose of conducting a wholesale dry-goods business in this city. This information was learned from a reliable source to-night. The members of the company will be, it is said, Simon Seward, Augusta Wright, Leroy Roper, Salem Isaacson and one of the Thalhimer firm, of Richmond. The capital stock is to be at least \$500,000, and more than \$100,000. The company will occupy the stores now occupied by M. Cohen & Son & Company, which were recently remodelled for that business. The company will have among its members three of the leading capitalists in Petersburg.

CONFESSIONS TO SHOOTING.

Asa Jones, colored, has confessed to the shooting of Rev. W. A. Fishburn, in Prince George county, Thursday, January last night, positively identifying John Walker, colored, George Pratt, who was with the negro when the shooting was done, said Jones was the man, and circumstances so connected him that he saw it would be useless to deny further and confess.

Jones said Fishburn was coming to him with an axe. He was holding the gun at his waist and does not know whether he fired it or not. It was accidentally discharged. Pratt said Fishburn had no axe, and was only waving his hands at them to go off the place. Jones was in Petersburg at 8 o'clock that morning. Was at the same place at 10 o'clock, and worked in his place at the factory that afternoon. Several gentlemen were willing to testify that Jones was in the city that day and could not have done the shooting.

NO COMMISSION.

The action of J. J. Percival & Son, proprietors of Farmers' Warehouse, in refusing to allow commission merchants a commission on their consignments of tobacco sold at their warehouse, has created considerable interest in business circles. Heretofore the merchants have been selling their consignments of tobacco at Farmers' Warehouse and receiving the two and one-half per cent. commission, the warehouse getting nothing. The warehouse has decided to save the commission for themselves, and to sell tobacco to the merchants only when the warehouse receives the profit. There are four other warehouses in the city, and these, as far as can be learned from them, will continue to deal with the merchants, as usual. A prominent Commission merchant said to-day that they were not owned nor controlled by warehouse proprietors and would patronize them only while shown consideration. Otherwise, they will establish a warehouse of their own.

ON M'NEAL'S TRAIL.
Pennsylvania Officer Wants Him, But His Commission Object.

Chief of Police Seidenberg, of Altoona, Pa., arrived in this city last night with a requisition on Governor Tyler for Governor Stone, of Pennsylvania, for Samuel A. McNeal, former Assistant District Attorney of Blair county, Pa., who is now under arrest at Norfolk, Va., and who is wanted in Pennsylvania on the charge of conspiracy and forgery, alleged to have been committed before McNeal left the State last October.

The officer proceeded at once to the Governor's mansion with his papers, but in the meantime Messrs. Pilkinton and Levy, of Norfolk, attorneys for McNeal, had talked with His Excellency over the long-distance phone and requested that he be heard before the requisition was granted.

Governor Tyler set to-morrow to hear the case, and McNeal's attorneys are expected here to argue their reasons for objecting to the removal of their client from Virginia.

Chief Seidenberg will remain here to await the decision of the Governor to-day.

Five-Year Sentence.
(Special Dispatch to The Times.)

CHARLOTTESVILLE, VA., Jan. 12.—Lewis Mosley (colored), for murderous assault upon Dr. Wm. H. McCue, near Greenwood, Albemarle county, on the 24th of September, was sentenced to-day to five years in the penitentiary. Dr. McCue was represented by Commonwealth's Attorney M. Woods, and Mosley by David Harmon and Bryan Gordon.

May be Tried Here.
It is thought that Mr. Julius Brantgram, who was arrested in Norfolk on the charge of robbing the mails, will be tried in the United States District Court, in this city, instead of at Norfolk.

COSTS BUT LITTLE.
A Discovery for the Cure of Piles Which May be Tried at Small Expense.

A pile cure which is painless and harmless, in most cases, a complete cure in a very short time, is sold by druggists under the name of Pyramid Pile Cure.

It is in suppository form, to be applied at night, and its regular use has cured thousands of obstinate, long-standing cases, and it seems to be equally effective in all the various forms of piles, whether internal or external.

The Pyramid Pile Cure cures the inflammation and intolerable itching, reduces the little tumors, and its astringent properties cause the enlarged blood vessels to contract, thus restoring normal condition. A Baltimore gentleman relates his experience in these words:

"It affords me unusual pleasure to add my endorsement to those of others relative to the really remarkable cure made by the Pyramid.

"I was a sufferer for years until told by a fellow-salesman of the Pyramid Pile Cure.

"It has entirely cured me, and I cheerfully send this for publication, if you wish to use it in that direction. I wish you would send me one of your little books on cause and cure of piles; I desire to show it to some friends."

Any sufferer from piles may use the Pyramid with certainty, that it will give instant relief and its regular use a permanent cure, and the further assurance that it contains no cocaine, morphine or other metallic or mineral poison.

All druggists sell the Pyramid Pile Cure at 50 cents per package.

A little book on cause and cure of piles will be mailed free by addressing the Pyramid Drug Company, of Marshall, Mich.

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonials received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

PRESIDENT BUYS A SPAN OF BAYS

Magnificent Team Shipped to Washington To-Day for the White House Driving Horses.

(Special Dispatch to The Times.)

CLEVELAND, O., Jan. 12.—A magnificent team of bay horses will be sent to Washington to-day for President McKinley.

They were recently purchased for the President by Messrs. Ralph Gray and Myron T. Herlick of this city. The committee entrusted by the President to find him a suitable team found the animals in Stark county. They are 15 hands high and weigh 1,400 pounds apiece. The animals are fine brother and sister.

The team are a deep bay with long tails and long manes. The President made special selections of this city, and the animals should not be doctored. He will drive them from now on in Washington. The horses have been spending the past two weeks around the trolley cars and steam engines and automobiles of this city, and are now quite accustomed to city ways.

The President paid \$2,000 for the pair.

A BOLD ASSAULT.
An Ex-Sheriff, Aged 93, Who Rode a Wild Young Male, Passes Away.

(Special Dispatch to The Times.)

RITCHIEFORDTON, N. C., Jan. 12.—A bold assault and highway robbery occurred at Asheville last night about 11:30 o'clock. Fred H. Shuford, a printer, was going home from work when he was seized by a man from behind. The negro with a club on his shoulder. The blow on the head from the stick rendered Shuford unconscious. The assailant had secured 20 cents and some keys. The neighborhood was very dark and the neighborhood. Shuford was unconscious for an hour, but was able to go home when he recovered consciousness.

It is stated that Lieutenant Governor of this State will go to Asheville to take personal charge of the water power being improved near that place by a company, in which himself, Colonel J. S. Carr and others are interested.

Ex-Sheriff R. Long of this county, died at his home near this place yesterday afternoon at 5 o'clock. He was ninety-three years of age, and two weeks ago he was in this town on a three-year-old horse, which was very wild and which has thrown him several times. The first fall from this horse was very severe, but it did not stop him from riding him to this town every first Monday in the year.

Ex-Sheriff R. Long has been twice married, and has fifteen living children, all married and with large families.

WILL BE A DRY CITY.
Said That All the Saloons Will Be Closed To-Day.

It is said all the saloons in Richmond will be tightly closed to-day. Whether or not this is true cannot be positively stated as a fact.

The proprietors of these places are in doubt as to when and how the Sunday Observance League will begin the work of reporting saloons found dispensing drinks on Sunday. They will, therefore, wait to see what the League will do.

Officers and members of the League have nothing further to say about their plans, other than that they are determined to keep up the fight to have the Sunday laws enforced.

It is a fact that many of the proprietors of saloons that sell liquor on Sunday are anxious to close, but they have, as they explain, to let certain people have liquor in order to keep their patrons from going to some neighboring town. In other words, they fear that if their customers go to some other saloon on Sundays they will visit them on week-days.

There are several saloons that are always closed on Sundays, and the proprietors of these say the Sunday trade at neighboring places does great injury to their business.

FOR THE NEW BUILDING.
Contract to be Signed For Mechanics' Institute Structure.

At a meeting of the Building Committee of the Virginia Mechanics' Institute, held Friday night, the president was authorized to sign the necessary contracts in connection with the building of the new home of this institution, on Broad Street.

It was decided to re-enter upon a vigorous canvass of the city in the interest of this movement about January 20th. The work of the committee which has in charge the securing of the property was interrupted by the Christmas holidays, but will soon be under way again. Those interested in the Mechanics' Institute and its work are much cheered by the hearty response its appeal has met with. One large concern, in particular, has subscribed a sum that will very materially advance the plans of the institute.

Captain Rogers' Commission.
It is thought the appointment of Capt. Rogers as Collector of Internal Revenue will be confirmed by the Senate early next week. After this is done it will be officially announced whether or not the headquarters will be removed to Richmond.

Miss Emmie Wherry left to-day, via the Southern Railway, to visit friends in Memphis, Tenn., and Greenville, Miss.

THIRD CHURCH TO TAKE ACTION

May Extend a Call to Rev. E. C. Harris.

THE METHODIST INSTITUTE.

It Has Proved a Very Successful Venture—The Re-dedication of Epworth Church—Catholic Notes.

The members of the Third Christian Church will hold a mass meeting this afternoon at 3 o'clock for the purpose of acting upon the resignation of Rev. S. R. Maxwell, which will at that time be formally presented to the church. The action of Mr. Maxwell is final, and this meeting the church will probably take some step towards securing another pastor.

The name of the Rev. E. C. Harris, a brilliant young preacher of Flushing, O., has been highly recommended to the congregation and his name will doubtless be favorably considered. Among those by whom he is endorsed is the Rev. W. J. Wright, of Washington, D. C.

A number of the members of the Third Christian Church are in the work of extending a call to Rev. E. A. Cole, of Indiana.

Mr. Cole was pastor of the church several years ago, and his work there was productive of excellent results. He made himself exceedingly popular with the people of Church Hill.

METHODIST INSTITUTE.
A matter which is now prominently occupying the attention of the Methodist Episcopal Church in this city is the work of the Methodist Institute for Christian Work, recently established, and being conducted under the superintendence of Rev. George H. Wiley. Various methods of enlarging the work have been suggested, and it is expected that the near future will see many interesting additions.

The old United States Hotel, Nineteenth and Main Streets, in which the work of the institution is carried on, will probably be bought by the denomination. At present it is only leased. It is also thought that the institution will set the pace for other attempts of a similar nature which it is thought are only waiting for the demonstrated success of the present venture to be established.

The first week of the institution ended last night, and Mr. Wiley is enthusiastic over its prospects. It is an entire success thus far, greater, in fact, than was expected, and nothing is hazarded in predicting a continued and constantly growing success.

The re-dedication of Epworth Methodist Episcopal Church will take place to-day. An interesting programme has been arranged, and a goodly attendance is expected.

At 9:30 o'clock to-day Sunday-school will be held, and an hour later Rev. T. J. Taylor will deliver an address. At 11 o'clock Rev. John Hannon, D. D., pastor of Union Station Baptist Church, will preach. A meeting of the Sunday-school Society of Richmond will be held at 3 P. M., and will be addressed by Rev. L. W. Guyer. At 8 o'clock Rev. T. J. Taylor will preach.

During the week special services will be held each evening at 8 o'clock. The following well known ministers will conduct them: Monday, Rev. L. W. Guyer; Tuesday, Rev. J. T. Bosman; Wednesday, Rev. A. C. Thayer; Thursday, Rev. I. H. Bennett; Friday, Rev. G. H. Wiley.

The public is invited to attend the services.

BOARD WILL REPORT.
The new West-End Christian Church will call a pastor at the service this morning. The board of trustees of the church will at this time make its report and the congregation will take some action.

It is thought that the decision of Rev. J. T. Bosman, who has been called to Marshall-Street Christian Church, will be announced to-day. Nothing is known as to his probable action in the matter.

THE BAPTIST CHURCHES.
The usual service will be conducted at the First Baptist Church in the morning by Dr. George Cooper. The annual meeting will be held in the evening at 8 o'clock, there being no service at night.

Rev. W. T. Whitley, D. D., president of the Baptist Seminary, Melbourne, Australia, will preach in the morning at the Second Baptist Church. The service at night will be conducted by the pastor, Rev. W. H. L. Smith.

Rev. J. B. Hawthorne, D. D., will preach to the Grove-Avenue congregation in the morning on "What Jesus Meant when He Cried from the Cross." It is finished at night, service, his subject will be "Some Things That Are Better Than Money."

At Broadbush Memorial Baptist Church the pastor, Rev. C. P. Stanley, will take for his morning theme, "He Brought Out (and He) Might Bring Us In," and at 8 P. M. the subject will be "But God."

Rev. W. E. Hatcher, D. D., will preach at both services at Grace-Street Baptist. The morning will be devoted to the children.

Rev. M. Ashby Jones will preach in the morning at Leigh-Street Baptist Church from the subject "Back to Bethel." At night his subject will be "What the Savior Seeks."

Rev. H. L. Quarles will preach morning and night at Immanuel.

The Baptist Sunday-school Association of Richmond and Manchester will have a Twentieth Century rally at the Grace-Street Baptist Church on Sunday. Addresses will be noon at 3:30 o'clock. Addresses will be noon at 3:30 o'clock.

SENT HOME.
Physicians in Germany Send Patients to America for Food.

Two clergymen who went to Germany last year for treatment by a noted specialist were told that they must use Grape-Nuts, made in America, at each meal.

For the principal part of each meal, the suggestion interested the two divines greatly, for while they knew of Grape-Nuts and that there was a large use made of the food in America, it had never come their way to try it.

It is a fact that after the effect of the grip was a serious gastric and stomach trouble. All the following summer she had many attacks of palpitation of the heart, nervous prostration, and its stimulating effect is noticed immediately. A friend of mine, a professional reader, carries a package of Grape-Nuts in her hand-bag, for she says the exhaustion after an evening's work will not admit of lunching on ordinary food, but Grape-Nuts food always restores her and leaves no ill effects, for the food is so easily digested and is ready cooked, therefore a great convenience.

She began using Grape-Nuts to build her up and found at once that the food created no disturbance and she began to gain in strength. In December, in October, she went for a visit and accompanied by her nerve force and indigestion.

Dr. Greene's Nervura will make you look and feel young and restore your energies, vivacity, and enjoyment of life.

MRS. KATE AUSTIN, 40 Jenny Lind Ave., Somerville, Mass., says: "I had a pain in my side for seventeen years. I also suffered with terrible headache and backache; such an awful headache, and I had not a bit of appetite. I could not sleep, and I was so weak before, that I could not get up. I was so nervous, I could not sleep for a long time, and had rheumatism in my shoulder and arm. I suffered everything; nobody but God knows how I suffered. I weighed 128 pounds. A friend recommended Dr. Greene's Nervura blood and nerve remedy, and I commenced to take it. I was so weak and I began to gain. After taking the Nervura I never had a pain in my side, nor any headache, and I sleep well and have a good appetite. I don't believe there is any medicine in the world so good as Dr. Greene's Nervura. It did me good right off, and I have had no return of my womb trouble. I had leucorrhoea, but since taking Nervura that has disappeared. I feel strong, and last summer was able to do the work for fourteen in a family, and I weigh 168 pounds. I was so weak before, nobody knows how I worked, but I had to work for my children. I sent two bottles of Nervura to my brother in Nova Scotia, and it did him lots of good. I recommend Dr. Greene's Nervura to every one."

Women have absolute confidence in Dr. Greene's Nervura, more so than in any other remedy, because it is purely vegetable and a famous regular physician prepares it, which is a guarantee that it is perfectly adapted to cure. As an additional assurance of cure, Dr. Greene, 35 W. 14th St., New York City, gives you the privilege of consulting him without charge or cost, either by calling or writing about your case.

OUR mirror will tell you the bitter truth. Healthy women look younger than their age, but you look far too old for your years. Time deals lightly with the woman in good health, but the wasting hand of sickness and disease spares neither your youthful looks, beauty, nor complexion.

The Creator has endowed every woman with beauty, and every woman in good health is beautiful and comely to look upon. A clear, fresh, wholesome look is the result of the possession of good health, and no woman can be beautiful and attractive without good health. The dull, dead, gnawing pain, the sense of nervousness, weakness, oppression, and discouragement, the tired, listless, languid feeling, the shooting pains, the aching head, the pain in the back, all these are symptoms of a disordered system, and all these are beauty-killers, producers of dull leaden complexions, unnatural flushings, dark circles under the eyes, humors, eruptions, blackheads, lustreless eyes, and other disfigurements which divest women of their natural gift of beauty.

Why be homely when you can be beautiful and attractive? Get good health and with it those looks and attributes which attract, please, and fascinate. It is within your power to do so, for it is within every woman's power to be well and strong, and hence look her best. If she will use Dr. Greene's Nervura to give her strong, vigorous nerves, pure, rich blood, a clear complexion, and thus restore the energies and vitality of sound and perfect health.
